

Grillo Aluminium Panels

The perfect basis for your creativity

Grillo panels are unique in the Deponti range. These are lightweight, aluminium parts that enrich your outdoor life. The panels are stackable, easy to assemble and fitted with click profiles. The durable and flexible character ensures that you can use the Grillo panels in different ways. They can serve as fence parts for more privacy, or as fencing. But you can also make planters or a beautiful aluminium conversion for your garbage container. Even creating a garage door is possible. In short: your creativity will be fully stimulated with the Grillo panels from Deponti.

Grillo

The durable and flexible character of the Grillo panels offers endless possibilities

The Grillo panels are available in four different RAL colours. This makes the panels a perfect addition to your roof. For example, you can close the side or back wall completely, in style with your veranda, for shelter and protection from the wind. You can also close the bottomside of your veranda with for a nice look.

The adaptable character of the panels is comparable to the possibilities offered by wood. What you can achieve with wood, you can also build with Grillo, only more durable with low maintenance. With the Grillo panels from Deponti you enjoy endless possibilities to give your outdoor life a unique look.
