

Side elements

Our side elements are designed to make a statement. Close off one or more sides and enjoy the outdoors all year round. Discover the elegance of Louvres, the versatility of Grillo panels, and the high-quality finish of our polycarbonate and glass side walls. And easily transform your veranda into a luxurious garden room with our Deponti Fiano glass sliding doors. Please contact your dealer for all options.

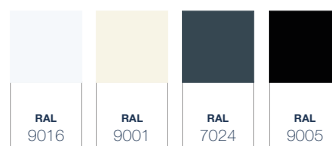

Polycarbonate

Our high-quality standard. Equipped with an aluminium frame and 16 mm thick polycarbonate. Perfect under any veranda, regardless of brand or type.

Glass

Optimum outdoor enjoyment thanks to the seamless integration of glass in your veranda. The innovative frame system with a glazing bar ensures effortless installation and a beautiful look.
